

OVERVIEW: Dong Son Resources is specializing in building materials and Energy export with mainfocus on **Cement, Clinker, Limestone, White Limestone, CaCO₃, Granite / Marble / Dolomite, Construction Stone, Flyash, Slag GBFS, Wood Chips, Wood Pellets..**

DONG SON RESOURCES COMPANY LIMITED

Address: #24 Block 6, Trung Yen 13 Str, Cau Giay Dist, Ha Noi, Vietnam

DONG SON IDC INDUSTRIES COMPANY LIMITED

Address: 09 Mac Thai To Str, Cau Giay Dist, Ha Noi, Vietnam

DONG SON IDC GLOBAL COMPANY LIMITED

Address: Ly Thuong Kiet Ward, Yen My Dist, Hung Yen Province, Vietnam

Mobile / WhatsApp / WeChat: + **84 945 017758**

E-mail: **general@dongsonresources.com**

Website: **dongsongresources.com**

*Established in begin 2010, **DONG SON GROUP** become the Vietnam 's leading MANUFACTURER AND EXPORTER with main production, **DONG SON GROUP** offers quality with competitive prices.*

Export Volume 2021 – 2022:

No	Items	Quantity	Market	USD Value
1	Clinker	1,645,000 MT	China/Bangladesh/Taiwan	62,467,000.00
2	Cement	126,000 MT	China/Philippines	7,380,000.00
3	Limestone	782,000 MT	Taiwan/China/Bangladesh/..	5,673,000.00
4	White Limestone	109,500 MT	Indian/Bangladesh/China..	3,961,000.00
5	Calcium Carbonate	47,000 MT	Indian/Bangladesh/EU..	2,324,000.00
6	Dolomite	154,000 MT	China/Indonesia/Malaysia/Japan..	1,279,000.00
7	Lime – Quicklime	31,000 MT	Taiwan/Bangladesh/Japan/ ...	3,187,000.00
8	Construction Stone	542,000 MT	China/Bangladesh/HongKong	3,895,000.00
9	Slag /GGBFS/Fly Ash	363,000 MT	Australia/Cambodia/Bangladesh..	7,159,000.00
10	Wood Chips / Pellets	134,230BDMT	EU/Japan/Korean/China	22,154,000.00

IMPORT AND EXPORT: Import and export is known as a leading sector in circulating goods, expanding business markets and creating trade relationships between the countries in the world. It also strongly boost the economy in the country and the region. Along with the flourished economic context of the country, Dong Son. is proud to be a strong unit in the import and export goods to many countries in the world such as **EU, Singapore, China, Bangladesh, Philippines, Taiwan, Indian, Indonesia, Malaysia, Bangladesh.**

With the achievements for many years in the manufacturing industry, we are always proud of being a unit providing reputable and qualitative transport service as well as dedicated and professional service attitude.

1. CEMENT/CLINKER:

DONG SON GROUP provide Clinker and Cement products with guaranteed quality meeting the needs of cement production as well as the needsof export to demanding marketswhere the company is implementing.

Clinker Capacity: 2,100,000.00 MT per year for export

Cement Capacity: 600,000.00 MT per year for export

With the advantage of the high-quality materials, Dong Son believes that they will provide the best meeting the ASTM (America) standard or GB/T China Standard to produce types of cement with perfect quality

CEMENT 42.5R / CEMENT TYPE I C150 / CEMENT TYPE IP: Clinker

& Cement Products have high quality, content of hazardous impurities such as MgO & total low alkalinity (R2O). Our products meet all the most severe technical requirements of Vietnam standards & International Standards ASTM, BS EN.

2. CALCIUM CARBONATE: White Limestone Chips/Lumps is of the purest quality with a CaCO_3 content over 98.5%, making it some of the purest, whitest, and least abrasive white limestone available globally. **Application:** Glass, Paints, Plastics, Paper, Color/Black Master batches, Adhesives, Rubber, PVC Cables, PP compounds, PVS/Plastics, Feed...

Calcium Carbonate Production Capacity:

No.	Products	Production Capacity	Packing details
1	CaCO_3 powder: 80-650 Mesh	85,000.00 MT per year	In Bags
2	White Limestone Chips: 10-40mm	180,000.00 MT per year	In Bulk
3	White Limestone Lumps: 30-120mm	210,000.00 MT per year	In Bulk

3. LIME INDUSTRY: High-calcium Quicklime is lime made from rich deposits of high-calcium limestone containing less than 2% magnesium carbonate. Calcium oxide (CaO), commonly known as lime or quicklime, is a widely used chemical compound.

Lime Production Capacity:

No.	Products	Production Capacity	Packing details
1	Quicklime	90,000.00 MT per year	In Bags
2	Quicklime powder	40,000.00 MT per year	In Bags
3	Burnt Dolomite	65,000.00 MT per year	In Bags

4. MARBLE QUARRY: With our marble quarry outstretching through nearly 25 hectares in the Mong Son Hamlet, Yen Binh Distric, Yen Bai Province, the very hub of Vietnamese marble deposits, and a processing plant equipped with cutting edge stone processing technology, we facilitate that growth.

Marble Products and Capacity:

No.	Products	Units	Production Capacity	Packing details
1	Marble Blocks	M3	135,000.00 per year	Container
2	Marble Tiles	M2	360,000.00 per year	Container
3	Marble Slabs	M2	380,000.00 per year	Container
4	Marble Chips	MT	320,000.00 per year	Bulk

5. GRANITE QUARRY: With our granite quarry outstretching through nearly 16 hectares in the Khanh Hoa Province, the very hub of Vietnamese granite deposits, and a processing plant equipped with cutting edge stone processing technology, we facilitate that growth.

Granite Products and Capacity:

No.	Products	Units	Production Capacity	Packing details
1	Granite Blocks	M3	90,000.00 per year	Container
2	Granite Tiles	M2	280,000.00 per year	Container
3	Granite Slabs	M2	240,000.00 per year	Container
4	Granite Chips	MT	210,000.00 per year	In Bulk

6. LIMESTONE QUARRY: Dong Son Manufacturer is very confident to be a reputable company in Vietnam, supplier of Limestone for Cement and Steel industries at high quality and best price. On recent years, we have exported a big quantity of each product at high quality and get the satisfaction of many customers.

Limestone Products and Production Capacity:

No.	Products	Units	Production Capacity
1	Limestone for Cement – Size: 0.5-25mm	MT	330,000.00 per year
2	Limestone for Cement – Size: 20-40mm	MT	360,000.00 per year
3	Limestone for Steel – Size: 40-80mm	MT	460,000.00 per year
4	Limestone for Feed Grade – Size: 2-3mm	MT	80,000.00 per year

7. DOLOMITE QUARRY: Dong Son Manufacturer is very confident to be a reputable company in Vietnam, supplier of Dolomite industries at high quality and best price.

Dolomite Products and Production Capacity:

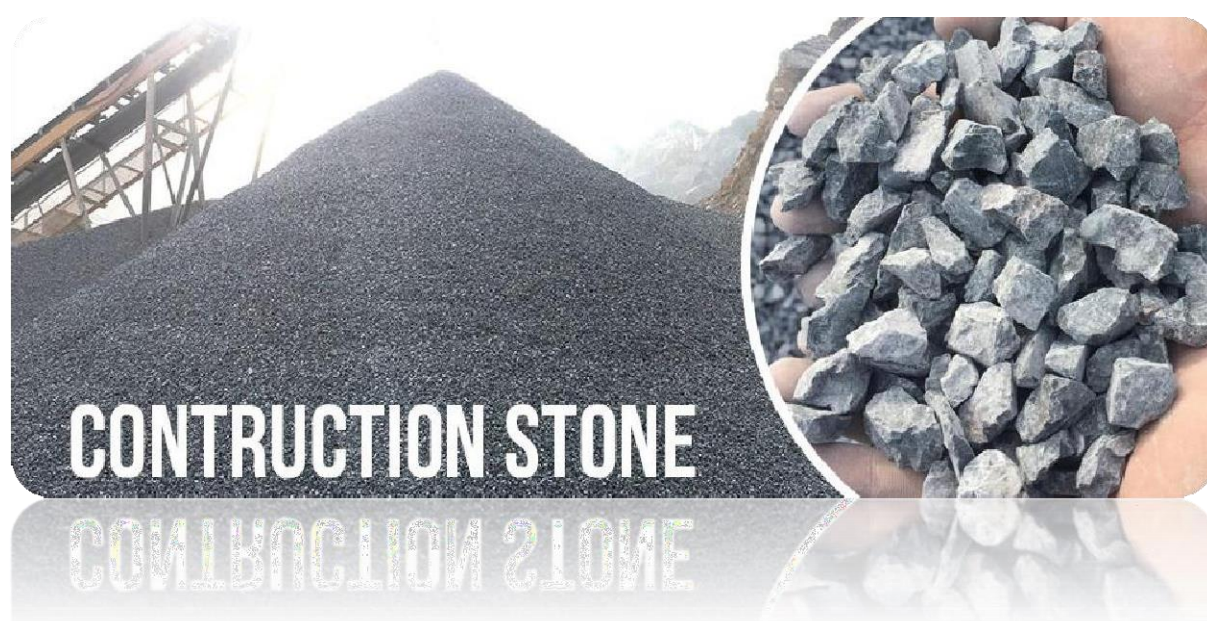

No.	Products	Units	Production Capacity
1	Dolomite powder – Size: 0-3mm	MT	185,000.00 per year
2	Dolomite powder – Size: 80-650 Mesh	MT	80,000.00 per year
3	Limestone for Steel – Size: 40-80mm	MT	320,000.00 per year

8. CONSTRUCTION STONE/ STONE CHIPS: Rock amour - Aggregate Crushed Stone– ConstructionStone – Aggregate Stone Chips – Application: Concrete mixing – Railway – Building.

Prodcuton Capacity:

No.	Products	Units	Packing	Production Capacity
1	Aggregate: 10-22mm	MT	Bulk	550,000.00 per year
2	Aggregate: 20-40mm	MT	Bulk	260,000.00 per year
3	Granite Chips: 10-22mm	MT	Bulk	320,000.00 per year
4	Basalt Chips: 10-22mm	MT	Bulk	250,000.00 per year
5	Rock amour: 12cm – 120cm	MT	Bulk	850,000.00 per year

9. SLAG GBFS / GGBFS / FLYASH / SILICA SAND / QUARTZ: Application: Cement industries, Construction and Building, Glass industry.

Prodcuton Capacity:

No.	Products	Units	Packing	Production Capacity
1	Slag GBFS for Cement	MT	Bulk	190,000.00 per year
2	Slag GGBFS for Cement mixing	MT	In Bags	120,000.00 per year
3	Fly Ash for Cement	MT	In Bags	155,000.00 per year
4	Silica Sand for Glass industry	MT	Bulk	120,000.00 per year
5	Quartz	MT	Bulk	110,000.00 per year

10. WOOD CHIPS / WOOD PELLETS

No.	Products	Units	Packing	Production Capacity
1	Acacia Wood Chips	BDMT	Bulk	650,000.00 per year
2	Pine	BDMT	Bulk	80,000.00 per year
3	Eucalyptus	BDMT	Bulk	120,000.00 per year
4	Wood Pellets mixed	BDMT	Bulk	160,000.00 per year
